Can you have the Feds transfer me back to Ray Brook F.C.I so I can get released to a halfway house on Nov 16<sup>th</sup>. All of the trials are pushed back to next year. None of these county jails can release me on Federal matters. I've already been in jail for what I think is way too long for all I've done  $\frac{1}{3}$  don't think I should have to stay any longer than I have to. Wyatt should be able to release me also seeing that it is an FCI. So if it's easier to just go there I will.

P.S IF you can't help me or know who can who should I talk to?
